

CUSTOMER CHANGE NOTIFICATION

Reference: CR2020-115

October 14 2021

Dear Valued Customer,

This letter serves as formal notification of changes that affect products purchased by your organization.

Change Description

Part Number(s) Affected:	<ul style="list-style-type: none">351-029-XXX Molecular Biology grade water, all packaging sizes
Description of Change:	Remove testing for endotoxin and mycoplasma
Reason for Change:	Review of specifications against requirements for the intended use of Molecular Biology applications determined that endotoxin and mycoplasma are not important attributes

Implementation and Next Steps

Product manufactured from October 14, 2021 forward will be against the revised specifications. The certificate of analysis for a particular lot will accurately reflect the specifications in effect at the time of testing. We trust this documentation is acceptable for your files. Should you have any questions or concerns regarding this notification, please contact me at CurleyJ@qualitybiological.com or (240) 750-6791.

Sincerely,

Vice President Quality Assurance
