

CUSTOMER CHANGE NOTIFICATION CR2022-4

Reference: CR2022-4

January 14, 2022

Dear Valued Customer,

This letter serves as formal notification of changes that affect products that may be purchased by your organization.

Change Description

Part Number(s) Affected:	<ul style="list-style-type: none">• See attached table
Description of Change:	A new supplier was added for 700-067 Potassium Chloride. The supplier offers the identical grade of material and the supplier is already a QBI qualified supplier.
Reason for Change:	Proactive addition due to shortages and long lead times in supply chain stemming from the COVID pandemic.

Implementation and Next Steps

It is anticipated products using this material will be shipped beginning in March 2022.

We trust this documentation is acceptable for your files. Please inform us of your acceptance of this change. Should you have any questions or concerns regarding this notification, please contact me at curleyj@qualitybiological.com.

Sincerely,

Jeanmarie Curley
Vice President Quality Assurance
